1  
2 IT IS HEREBY ORDERED that the Department of Social and Health Services is hereby  
3 granted the right to consent to routine medical and dental care for said child, and to delegate said  
4 right to the physical custodians of said child. It is the intent of this order that non-routine  
5 medical care of a lifesaving nature be immediately provided without the need to obtain consent;  
6 and that non-routine medical care which is not of a lifesaving nature be provided only upon  
7 authorization by Court order after a hearing on the matter.
